

12 0 MAR 2020

Diversion of 12.988 ha of forest land in favour of M/S GEE CEE Hydro Power Pvt. Ltd. for the construction of Kot Dogri (10 MW) Hydro Power Project within the jurisdiction of Rampur Forest Division distt Shimla, HP.

The following shortcomings are to be completed:

1. There is difference in employment likely to be generated, mentioned against column No.E in online part-I and given in hard copy of the proposal. Against column No.E(ii), '17' and against E(iii), '453600', has been mentioned whereas in hard copy of part-I against column No.1(vi), '60000 mandays during the construction and 510 mandays per month after commissioning' has been mentioned. The employment details given in online part-I and placed in hard copy should match. Necessary corrections are required to be made in the employment details.
2. There is difference in the density of vegetation mentioned in online part-II and mentioned in hard copy of part-II. In online part-II, against column No.4(i), '0.85' has been mentioned whereas in hard copy against column No.7(vi), '0.3', has been mentioned. The density mentioned in online and hard copy should match. Further, if the density of vegetation is 0.85, the bill of NPV is also required to be calculated for very dense forest.
3. Against column No.8(i), instead of reporting the wild life present in and around the forest land proposed for diversion, the name of some tree species have also been mentioned against this column.

Nodal Officer-cum-AP CCF(FCA)
O/O Pr. CCF, H P, Shimla

Endst. No. 8012 Dated Rampur, the 21-3-2020

Copy is forwarded to DFO Rampur for information and necessary action. He is requested to attend the above online observations as raised by the Nodal Officer and submit point wise reply to this office immediately.

Conservator of Forests,
Rampur Bushahr, H.P.
