

**Diversion of 0.56 ha of forest land in favour of Bhup Raj, 162/9 Bhojnagar Bazar Sundernagar, Distt Mandi, HP for the construction of Dhanwan Small HEP (1.00 MW), within the jurisdiction of Mandi Forest Division distt Mandi, HP.**

**The following points are to be attended.**

1. There is difference in estimated cost of the project mentioned against column No.A-1(vii) of online part-I and mentioned against column No.1(iii) in hard copy of part-I. In online part-I, 87000 lac have been mentioned and hard copy 870 lac have been mentioned. The estimated cost of the project should tally as mentioned in hard copy and in online part-1.
2. Against column No.B-2.3, although village-wise breakup has been mentioned but as per GoI instructions dated 01.08.2019, a certificate (providing detail of villages benefitted) duly authenticated by competent revenue authority may also be submitted /uploaded as an essential document with the proposal on the prescribed format as under:

Sr.No.	Name of the village	Village code	Population
1			

3. Against column No.M(i) & (ii), the installed power generation capacity (in MW) and total command area of the Project has been mentioned. As per GoI observations pointed out in earlier submitted proposals, this column is not required to be filled in by the user agency and '0' is required to be mentioned against this column.
4. The CA has been proposed in terms of number of plants hence the details mentioned against column No.13(i) to (iv), meant for CA details alongwith the detail of CA patch are required to be deleted. The CA scheme in terms of number of plants with ten years of maintenance on current wage rates and maps are to be uploaded against additional information detail and not against column No.13.
5. Dumping has also been proposed over forest land but the cost estimates of reclaiming the dumping sites have not been found placed in the proposal folder.
6. TEC & IA have not yet been obtained, the latest status of obtaining the TEC & IA is required to be intimated.
7. Document showing the total length of Tr. Line, passing through forest land and non forest land with width of transmission line is required to be mentioned alongwith voltage of proposed transmission line is required to be placed in the proposal folder.
8. At P.No.71 of the proposal folder, the comments of CWLW have been placed, but have not been found uploaded in online part-I or II. The mail of comments of CWLW has been sent to DFO Jogindernagar through E-mail for uploading the same in online part-II. These comments have not been found uploaded against additional information details in online part-II.
