Memo,

Reference to your memo No. WLM/M-1/2609 & FC-RMP-G/12/2023-SALE-FC RMP-FOREST CIRCLE RAMPUR dated 03.11.2025 & 07.03.2026. on the subject cited above.

2. The following shortcomings have been noticed which may be attended in all respect:-

1. In response to point No.2 although the density has been mentioned as 0.05 (Kinnaur Division), which indicates the canopy density as “open forest,” whereas the NPV bill has been prepared based on the rate applicable for dense forest. NPV bill needs to be revised as per the actual density.
2. **(I) Kinnaur Division:-** The revised CA scheme has not been uploaded in the appropriate column of Part-II. The same may be uploaded in Column No. 13(i) of Part-II. Further the KML file of the proposed CA is marked for 9.6 ha; however, the shape in the digital map does not match the KML file. Moreover, the proposed CA area is not marked in the toposheet. Therefore, the digital map/toposheet may be revised accordingly.
(II) WL Sarahan:- The proposed CA area has been shown as 42 ha, whereas only 25 ha has been marked in the KML file. Out of this, about 11 ha. fall under moderate to dense forest. Hence, the CA area, digital map, land suitability certificate, KML file, and toposheet may be reviewed/revised and uploaded in the appropriate column of Part-II accordingly.
