Adverting to the above subject under ref (10) a brief note on below mentioned points was seeked for renewal of time extension/ renewal of contract lease deed related to 33/11KV Sub station, Murnad at survey no 128 of Kodamburu village.

## 1. Number of trees to be felled in the proposed area

33/11KV substation commissioned in the year of 1998 & is already functioning in the said area lease agreement carried on 15.05.1997, hence none of the trees in the area to be felled/ trimmed.

## 2. Justification for delay in submission of renewal proposal as previous FC approval expired on 23.07.2006

Contract lease approval was taken on 15.05.1997 for the next years from the date 29.11.1996, which was expired on 28.11.2006. letter was sent as per ref (1) from this office for the extension till next 10 year. was made from this office for the time renewal from 28.11.2016 to 27.11.2026. Due to various issues like pandemic covid, transfer of officers & some administrative issues the follow up on the proposal was delayed.

3. **Proper Justification note of user agency for renewal of FC lease**

At present electricity is fed to Murnad, Napoklu, Hoddur, Parane, Kanthur, Bethri Kiggalu Hakathur & surrounding village from this existing working 33/11KV MUSS Murnad.

The Renewal of the land where the power station is functioning is of most important. Hence kind request to give extension of the contract lease for the maximum duration possible.

Yours faithfully,
