No.6/FCA-81/Road/DCFS/TECH/2018-19/ 3184

Dated:- 27/03/2019.

Chaitra, 1940 (Saka)

To,
The Executive Engineer,
Division XXV (Roads),
Fatorda, Margao – Goa.

Sub:- Proposal for diversion of 0.5475 ha. of forest area for construction of road from Popaidando to Khedem in village Panchayat Cola in Quepem Constituency – reg.

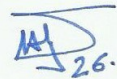

Sir,

With reference to the above cited subject following observations are noted while scrutinizing the proposal.

1. Forest boundary alignment of road starts from R8, L8 in survey No.29 of Quedem village to R29, L29 in survey No.19 of Cola village.
2. Additional Forest area for diversion at upper turn to be shown in survey No.19 of Cola village.
3. Area statement to be corrected.
4. Some natural springs are observed existing along proposed road and during cutting and excavation the said water flow may get destroyed. This site is to be protected by providing canal outlet for existing water flow and possibly no excavation may be carried out at this point. Minimum 2 mts height may be retained over this spring to allow it to remain undisturbed.

Once the necessary correction as per above observation are done, file be put up to process further.

Yours faithfully,

26.03.19

(Anil A. Shetgaonkar)
Dy. Conservator of Forests
South Goa Division,
Margao-Goa.
