

## **EDS dated 18-03-2016 FP/UK/ROAD/10762/2015**

1. Short narrative of the project does not give adequate information in Part I.
2. Total period for which forest land to be diverted is not mentioned in Part I
3. The authority letter is not uploaded in favour of applicant in Part I.
4. GPS coordinate marked digitally on GIS software generated georeferenced map for the area proposed for diversion in 200-300m distance and each turn of the proposed road and be uploaded in the designated place in Part I.
5. GPS coordinate marked digitally on georeferenced map for every corner of land proposed for CA is not provided. It should be uploaded in the designated place in Part I.
6. CA stipulation is not commensurate with the total forest land diverted in the district in Part II need justification and correction.
7. The 61 trees per hectare do not account for 0.5 density and the NPV calculation is also done for very dense forest which needs review. The State Govt may review the density and NPV and furnish revised density and NPV calculation.
8. Working plan prescription provided is not clear in Part II.
9. The area proposed for diversion is prone to soil erosion and land slide but not mitigative measures to be taken during construction of road is provided in the proposal.
10. The comments of DFO on impacts of construction of road on rare/endangered wildlife species in the area and mitigative measures to be taken may be furnished.
11. Part I, II, III, IV and V which is provided in online web portal for the proposal is not enclosed with the hard copy.
