

Proposal No. FP/KA/OFC/153545/2022

Essential Details Sought by the User Agency

You have submitted a proposal on the Parivesh-1 portal for the utilization of 2.2115668 hectares of forest land falling under Kukradi-Shiradi, Bajathir-Uppinangadi, Madanur-Aryapu, Subramanya-Aranthodu, and Hariharapathadka-Kallamakaruvillages within the jurisdiction of Subramanya, Puttur, Uppinangadi, and Panja ranges of the Mangaluru Forest Division.

The said proposal was inspected on-site by the Range Forest Officer, Subramanya. As per the report submitted by the officer, it was informed that "There was a mismatch in route points on ground and map. Rectify the maps with respect to villages such as Harihara-Pallathadka, Kollamogru and other villages also."

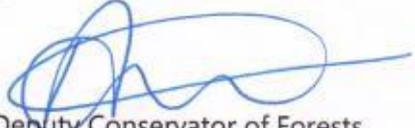

Further, EDS was raised on the Parivesh-1 portal on 16-10-2024 and again on 31-05-2025, instructing you to correct and resubmit the documents along with the revised maps.

However, it is observed that you have updated on the Parivesh-1 portal on 04-03-2026 stating: "The correction have been made as per the instruction received." Upon verification of the said area in the forest with the map, it is found that no deficiencies have been rectified.

Therefore, if the following deficiencies are corrected and resubmitted, the proposal will be examined and reconsidered. Hence, you are requested to rectify the following deficiencies.

1. There was a Mismatch in rout points on ground and map. Rectify the maps with respect to villages such as Harihara-Pallathadka, Kollamogru and other villages also.
2. Marking the temporary boundary line in the forest area requested by the User Agency as indicated in the KML map.
3. Upon verification of the KML map submitted by the User Agency, it was found that in some places the marked area passes through forest land within government property, and these need to be corrected.
4. If representatives of the User Agency are present at the said locations along with departmental staff, a detailed site inspection will be conducted and a report will be submitted.
5. The User Agency has not provided details of the compensatory Afforestation land.
