

FP/HP/SCH/21873/2016

Dated 24.02.2018

Construction of Govt. College at Sihunta

Following shortcomings still remain which may be attended:

1. Instead of uploading revised layout plan in additional document, only abstract of components has been uploaded.
2. Components as mentioned in layout plan are not matching with the components details uploaded in additional document. It may be ensured that there should be no discrepancy in the components at B 2.4 part-I online & in layout plan.
