

EDS raised for DMRC project (Aerocity to Tughlakabad)

For DCF South:

1. The tree list contains names of certain species against which the number of trees has been mentioned as zero. The same may be removed from the list.
2. The CA scheme includes cost of plantation over an area of 10.84 Ha. However an additional plantation of 3.51 Ha is proposed over DFL. The estimates may be revised accordingly.
3. The exact area which has not been found suitable for carrying out CA should be mentioned in the site suitability report.
4. NPV calculation should be submitted in proper format.
5. The cost for CA in CA scheme has been mentioned for a period of 11 years. However, as per provisions it is for 10 years. The same may be revised.

For DCF West:

1. The undertakings (CA, NPV, minimum use of Forest Land, FRA, Forest land, Non Forest land etc.) have not been uploaded.
2. Land suitability certificate has not been uploaded.
3. Justification for locating the project in Forest area countersigned by DCF has not uploaded.
4. Tree list countersigned by DCF has not been uploaded.
