The following shortcomings have been noticed in the proposal, which are to be completed:

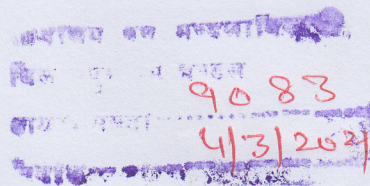

1. There is difference in estimated cost of the project mentioned against column No.A-1(vii) of online part-I and mentioned against column No.1(iii) in hard copy of part-I. In online part-I, 10 lac have been mentioned and hard copy 3.00 crore have been mentioned. The estimated cost of the project should tally as mentioned in hard copy and in online part-I.
2. The letter of intent has although been uploaded against column No.M(i)©, but the validity of said letter of intent has now been expired. The letter of intent is required to be obtained again with fresh renewal.
3. Against column No.1(i), 'No', has been mentioned. As per latest instructions of GoI, in case of "No", the distance from the protected area or their Eco sensitive zone is required to be obtained from DFO concerned for uploading against additional information details.
