With reference to the above subject, a proposal for diversion of Forest Land
under Forest (Conservation) Act, 1980 for Laying underground Optical Fiber Cable
for Diversion of 0.293 ha of Forest Land in North Bargur Reserve Forest of
Chennampatti Range is uploaded by the user agency vide above reference 1st cited.
the proposal was received through Parivesh 1.0 Web Portal.

Since Parivesh 1.0 portal is being phased out and replaced by the Parivesh 2.0 portal to improve the efficiency and transparency, Applications for forest clearance on Parivesh 1.0 will be moved to Parivesh 2.0. Hence User Agency is requested to upload the proposal in Parivesh 2.0 at the earliest to enable further processing of the proposal.

Yours faithfully,

District Forest Officer,
Erode Forest Division, Erode.
