

The fresh proposal uploaded online by State Govt. on 20.02.2018. Shortcomings noticed and are as follow:

1. State Govt. may upload muck disposal area, road and bridge area in component wise breakup at para B 2.3 in Part I.
2. The proposal is for construction of bridge over Bhilangana rived and muck disposal is proposed along the same as shown at C (IV). State Govt. may review the same.
3. State Govt. may provide justification with authentication of DFO at para D in Part I.
4. State Govt. may upload correct permanent Employment details at para E in part I.
5. Proceedings of DLC not found uploaded at para k in part I. May upload original hard copy of FRA.
6. In Land scheduled area of bridge, road and muck not shown separately.
7. State Govt. may provide received Bar chart as the same seems incorrect.
8. State Govt. may direct user agency to put name and designation of the person signing the undertaking.
9. Density mentioned in Part II is 0.3 but in NPV calculation sheet is 0.5 and rate charged for very dense forest.
10. State Govt. may provide comments as Less volunerable mentioned for soil erosion in para 6 of Part II.
11. State Govt. may upload plantation scheme at para 13 in Part II.
12. District profile not filled correctly.
13. Type of land not mentioned in DFO site inspection report.
14. State Govt. may provide original hard copy of FRA and VLC proceedings with date and DFO SIR.
15. State Govt. may submit original hard copy of Part IV & V.
