

## **PROPOSAL NO. FP/UK/ROAD/10147/2015**

1. Short narrative of the project does not provide sufficient information about the project.
2. Total period for which area to be diverted is not filled in online Part I.
3. FRA certificate is not uploaded in online Part I at designated place, though provided all annexure in the said column. The State Govt may provide/upload original copy of FRA certificate in online Part I.
4. The State Govt has provided/uploaded the scanned copy of GIS software generated geo referenced digital map which is not clear and only few coordinates are shown on the map. The State Govt may provide/upload the correct map showing geo coordinates at 200 to 300 m interval along the alignment including all turning points on exact to the scale and ensure the uploading of correct revised map in online Part I.
5. The State Govt may provide/upload GIS software generated geo referenced digital map of the area proposed for CA providing geo coordinates at all corner points in shape (polygon/closed area) file. The Google earth map will not accepted for the purpose.
6. The KML file for the area proposed for CA is not uploaded in polygon (shape) file and only one point is shown. The State Govt may upload the revised and correct KML file.
7. The justification for locating the project in forest land is not uploaded in Part I.
8. The details furnished in online Part I regarding employment generation is seems to be incorrect. The State Govt may provide correct details.
9. The NPV calculation done for taking Eco class I while in Part II the Eco class is mentioned as V. The State Govt may review the Eco class and provide correct detail in Part II.
10. 405 trees per hectare does not account for 0.2 density. The State Govt may review and correct the density.
11. The CA stipulation against total forest land diverted in the district is not commensurate. The State Govt may do the necessary correction and provide clarification for poor CA in the district.
