

Government Degree College Sihunta (1.5298 ha)

Following shortcomings may be attended by State Government.

1. ✓ The authority letter to file the application uploaded at A-3 (xvii) Part-I online is in favour of the Principal of Govt Degree College, Chowari whereas the application is filed by Principal of Govt Degree College, Sihunta.
2. ✓ Area of polygon -II proposed for diversion is mentioned as 0.7729 ha in the geo-referenced digital map but 0.7731 ha in the column C (ii) a -2 of Part-I online and in both the cases the total land proposed for diversion totals less than the area proposed for diversion.
3. ✓ In the digital map of the area proposed for diversion provided in hard copy as well as uploaded at C (iv) Part I online, legend of geo coordinates is given but marking of geo-coordinates along the boundary of the proposed area is not done. May upload GIS software generated geo referenced digital map of the area proposed for diversion providing geo coordinates at all the corner points of the polygon. Original hard copy of this map may also be provided.
4. ✓ Details of alternatives explored is given in hard copy but not uploaded at D of Part-I online.
5. ✓ Layout plan showing the location and dimension of all the components, as shown in the component wise breakup at B 2.4 Part-I online, may be provided and also uploaded online as additional document.
6. As per Decision Support System (DSS) analysis, out the total area of 3.00 ha proposed for CA, the entire area is on very dense forest. State Govt may replace this 3 ha area with some other area suitable for CA and provide/upload revised digital map, SoI topohseet map and KML file of the complete 3.00 ha CA area again after making the above change.
7. Scientific names of trees may be mentioned at column 4(ii) Part-II online.
