

Please attend to the following short comings in the proposal submitted by you pertaining to Tumkur-Davengere railway line proposal.

1. Item 13(i) Instead of proposed CA land polygon, KML of forest land proposed for diversion have been wrongly uploaded.
2. Item 13(iii). Instead of Geo-referenced Map (CA land superimposed on Village Map), Satellite imagery is uploaded.
3. Highly blurred Topo Map showing a narrow portion of Topo sheet is uploaded.

The link has been transferred to you.

Take URGENT action to comply and resubmitted without delay.
