Sir,

With reference to the subject and letter cited above, I am to inform that the proposal mentioned in the subject above has been discussed in the REC meeting on 15.04.2016 and the following are the observation of the REC for compliance of the State Govt:-

- 1) To propose new compensatory afforestation location in place of 35 ha proposed in Kailam WL Sanctuary and to submit the SOI Toposheet showing the location of the new C.A area with the G.P.S co-ordinates along with the soft copy and hard copy of the KML/Shape files or to certify by the Chief Wildlife Warden that the proposed CA location in Kailam Wildlife Sanctuary is a part of the approved Management Plan.
- 2) The C.A site at Cheklaphai R.F (128 ha) should be revised by segregating the blank degraded area from it and identify some blank/degraded area in place of the forested area and accordingly provide SOI Toposheet showing the location of the revised C.A area with the G.P.S co-ordinates along with the soft copy and hard copy of the KML/Shape files.

State Govt is requested to furnish the information mentioned above at the earliest for further necessary action in this office.
