

Proposal No- FP/UK/ROAD/29432/2017

EDS dated 25 April 2018

Name : District - uttarkashi Bayana to Syaba motor road (3.318 ha)

shortcomings still remain in the online reply.

1. Date of DLC meeting proceedings is 26/12/2015, but in attendance sheet it is mentioned as 16/12/2015. State Government may clarify this discrepancy.
2. Muck management plan showing total muck likely to be generated, muck to be utilized in the project and muck likely to be disposed in the dumping sites has not been provided, which may be provided now and also uploaded online as additional document
3. In part-II at para-4, only 45 trees proposed to be felled has been mentioned but trees enumeration list for 107 trees is provided in hard copy in which no tree falls in 0 to 10 dia class. State Government may review and accordingly change density and NPV calculation sheet.
