Sub: Re-alignment of Wampora-Markoot road by BRO in Bandipora Forest Division.

Ref: Proposal No. FP/JK/Road/58579/2020.

This is with reference to the above proposal. The proposal is for improvement of the existing road. As per the justification given by the user agency, the total length of the road is 2.936 Kms out of which 1.920 Kms road stretch passes through forest land, whereas in the area calculation sheet, the length of the road passing through forest land has been taken as 1016 Mtr. In this context, the Conservator of Forests, Srinagar Circle/DFO Banidipora/User agency are requested to clarify/upload the following documents within three days:

1. Year of construction of the existing road. In case the existing road ^{was} constructed prior to 1980, then the existing width of the road need not be ^{included} taken while calculating the involvement of the forest ^{land area}.
2. Length of the proposed road passing through forest land needs to be re-verified.
