दिनांक: 27.04.2022

सेवा में,

नोडल अधिकारी-सह-अतिरिक्त प्रधान मुख्य अरण्यपाल (एफ.सी.ए.)  
 हिमाचल प्रदेश सरकार, वन विभाग, टालैंड, शिमला।  
 (Email: nodalfcahp@yahoo.com)

**विषय: Diversion of 6.2455 ha of forest land in favour of HPPWD, for the construction of link road from Dadriara to Chakki Kms. 0/0 to 13/500, within the jurisdiction of Dalhousie Forest Division, Distt. Chamba, Himachal Pradesh (Online Proposal No. FP/HP/ROAD/47175/2020).**

संदर्भ: नोडल अधिकारी-सह-अतिरिक्त प्रधान मुख्य अरण्यपाल (एफ.सी.ए.), हि0प्र0 के पत्रांक 48-5067/2020/ (एफ.सी.ए.) दिनांक 29.03.2022.

महोदय,

उपरोक्त विषय पर संदर्भित पत्र का आशय ग्रहण करते हुए आपको यह सूचित करना है कि प्रस्ताव में निम्नलिखित कमियां पाई गयी हैं। अतः राज्य सरकार निम्न बिन्दुओं पर आवश्यक सूचनाएं प्रेषित करने का कष्ट करें, ताकि आगामी कार्यवाही सुनिश्चित की जा सके :-

1. As large number of trees (617 individuals), with girth above 60 cm (344 individuals) are going to be affected in the proposed road, therefore, the State Government may explore all the possibilities to reduce the number of trees being affected specially the tree having more than 60 cm girth and trees of high ecological importance (*Picea smithiana*, *Quercus incana* and *Rhododendron* spp.). Accordingly, revised enumeration list of trees may be provided.
2. From KML file and Geological Report provided, it can be observed that the proposed site is hilly. Therefore, comments along with Action Plan regarding mitigation measures to be adopted to arrest the accelerated soil erosion and ecological restoration during construction and after completion of road construction as well may be provided.
3. On online portal and certificate provided it has been mentioned that animal like bear and leopard is present in the area. The exact species of the animals may be provided/uploaded. Further, a list of all rare/endangered/uncommon species distributed in the project area may also be provided. If any Scheduled species under Wildlife (Protection) Act is distributed in the area, an Action Plan to be undertaken for conservation of the Scheduled species may be provided. Comments of Chief Wildlife Warden may also be provided regarding the same, if required.
4. From KML file it can be observed that Alternate Alignment II is overlapping the Alternate Alignment III, also the same doesn't extend to the end of the proposed road. Therefore, the same needs to be reviewed and rectified.
5. Exact aerial distance of the extant road from notified/proposed ESZ of nearby PAs may be provided.
6. All the dumping sites are proposed in the forest land. Therefore, the dumping sites may be proposed in non-forest land. Further, if the dumping sites are necessarily to be proposed in forest land, the number (07 dumping sites) and area covered for the component shall be reduced. Also,

I/8226/2022

separate enumeration list of trees of the proposed dumping sites apart from enumeration list of trees in diversion area are required to be submitted/uploaded.

7. The Muck Management Plan needs to be authenticated by the concerned DFO.
8. DSS analysis reveals that proposed CA site is covering 12 ha of Very Dense Forest out of proposed 12.491 ha of land. Moreover, the proposed CA site is also overlapping with CA area of Proposal no-25337. Therefore, the State Government may change the proposed CA site and accordingly documents related to it may be submitted/uploaded.
9. The NPV rates are required to be revised according to recent rates by MoEFCC letter dated 6th January, 2022.
10. Administrative Approval of the proposed project may be submitted/uploaded.
11. In the Layout Plan the location of all dumping sites are required to be shown. Further, the Layout Plan shall represent the forest land and non-forest land involved in the diversion area with distinct colours. The revised Layout Plan may be submitted/uploaded.
12. The Cost Benefit Analysis shall be represented in ratio form.
13. FRA certificate provided are incomplete and not legible. Therefore, legible FRA Certificate along with the records of all consultations and proceedings of FRC/Gram Sabha of all affected villages (5 villages) are required to be submitted/uploaded.

यदि चाही गई सूचना पत्र जारी होने की तिथि के 60 दिनों के भीतर (अधिकतम 90 दिन) इस कार्यालय में प्राप्त नहीं हुई तो प्रस्ताव को निरस्त किया जा सकता है।

भवदीय,  
हो/  
(सत्य प्रकाश नेगी)
