

Ft.No.48-4076/2020 (FCA)
Forest Department Himachal Pradesh

12 7 APR 2023

Subject: Diversion of 0.2534 ha. of forest land in favour of HPPWD, for the construction of link road from Bharmeli to village Swahal (Kms. 0/00 to 0/375) within the jurisdiction of Hamirpur Forest Division, Distt. Hamirpur, Himachal Pradesh. (Online No. FP/HP/Road/154463/2022)

The following shortcomings have been noticed in the uploaded proposal :

- (i) Against the column No.2 the legal status of forest land has been mentioned 'Protected Forests' in online Part-II, but in hard copy of Part-II at Sr. No.1(v), legal status of forest land 'P55 Dhar Chabutra c4c' has been mentioned. The details of legal status of forest land mentioned in online and hard copy should match. *It should be 'Protected Forests'*
- (ii) Against the column No.13 (i), (ii), (iii), (iv) & (v) in online Part-II, the detail of CA Scheme has not been filled/mentioned in online Part-II. It is required to be corrected/filled against the column in online Part-II.
- (iii) PDF of the document uploaded against additional information details in online Part-II, the forest area of proposed project for diversion has been mentioned '0.225' ha. instead of '0.2534' ha. in online part-II. The correct area in the document i.e., land suitability certificate by DFO concerned, Check list No.16, certificate of Protected Area/Eco Sensitive Zone, Bill of NPV, Penal NPV & and Site Inspection Report uploaded in online part-II, is required to be reviewed/corrected in online Part-II.
- (iv) All documents are required to be uploaded as per Check list 1980 against additional information details in online Part-I&II.

It is therefore requested to submit the proposal after proper scrutiny for further processing for approval of FCA, 1980.
