The Divisional Forest Officer,  
Thiruvananthapuram.

Sir,

**Sub:-** Forest & Wildlife Department – Proposal for the diversion of 0.3 Ha of Forest Land for the purpose of Peppara Small Hydro Electric Project in Thiruvananthapuram Division – reg.

**Ref:-** Proposal No.FP/KL/HYD/26932/2017.

Attention is invited to the above subject. You are requested to provide the following information:

1. Whether the original lease is allowed for Kerala Water Authority or KSEBL.
2. The letter from KSEBL indicated that the total forest land leased out is 0.63 (0.3Ha permanently + 0.33 Ha temporary). Out of this, 0.33 Ha was surrendered by User Agency to Forest Department. Whether this is correct or not?
3. The lease period of the said area expired on 2012. User Agency has argued that the proposal was submitted on 31.07.2013. Whether the User Agency had remitted the lease rent, for the above said period?

4. In Part I of the proposal, User Agency has indicated the period of diversion as 50 years. But as per amended F(C) Rules the maximum period allowed is 30 years.

Yours faithfully,
