24. Recommendations of Deputy Director General of Forests (C) along with detailed reasons:

The proposal has been examined in this office for diversion of 5.0 ha of forest land for quarrying of Sandstone/road metal at Murum & Shaly Earth in Longa Koireng, Kangpokpi District, Manipur in favour of M/S Sanjit Stone Mining & Crusher. The project area falls within the forest land, and it has been reported by the inspecting officer that portion of the proposed area approximately 1.9 Ha has already been broken and use for quarrying operation without prior approval under FC Act 1980.

In view of the above the State Govt Manipur be advised to:

- a) Furnished a factual clarification on the status of the already broken portion of the area and the circumstances under which the activity was carried out without prior approval under FCA 1980.
- b) Asses and report whether the activity constitutes a violation under section 2 of the Act, if so take appropriate action as per MoEF&CC guideline on violation cases
- c) The State Govt may also be asked to submit a revised proposal clearly delineating the area already broken and the remaining intact portion along with proper justification for regularization of the violated portion. The proposal may be considered for further processing only after receiving the above clarification and compliance from the State Govt.

25. Deputy Director General of Forests (C) shall give detailed comments on whether there are any alternatives routes/ alignments for locating the project on the non-forest land.

There is no alternative route/alignment for locating on the non-forest land.
