EDS raised for FCA proposal- diversion of 8 ha Forest land for
construction of School of Planning and Architecture

1. Undertakings regarding minimum use of Forest Land, NPV & CA are not as per proper format.
2. Joint Inspection Report has not been submitted.
3. Statement regarding Forest area and Non Forest area involved in the project has not been provided.
4. Tree list has not been countersigned by the DCF.
5. Muck disposal scheme has not been provided.
6. The total numbers of trees standing in the project site and those proposed to be felled have not been clarified in Part-II. The same may be provided.
7. As per RMB recommendation and CEC report, the User Agency was advised to modify its construction plan and leave out the area falling in Notified Forest (i.e. 0.46 ha). This area shall not be put to any use and shall be excluded from the boundary of the plot.
