

Sub:- Forest (Conservation) Act, 1980 - Tiruvallur Forest Division - Proposal for diversion of 12.5442 ha of forest land in Palavakkam Reserve Forest of Tiruvallur Division for erection of 400 Kv EHT line from Thervaikandigai 400 Kv SS to common point of Thervaikandigai 400 Kv SS, Manali 400 Kv SS & Korattur 400 Kv SS in Chennai Region - Online Submission of the proposal by the User Agency - Defects pointed out by Principal Chief Conservator of Forests - Report called for - Regarding.

- Ref:-**
1. Online application uploaded by the User Agency - Tamil Nadu Transmission Corporation Limited (TANTRANSCO) (TNEB), Chennai - 32 dated 01.02.2018. - (Proposal No. FP/TN/TRANS/316 06/2018) and additional details uploaded on 02.04.2018.
 2. Part-II of Form A uploaded by the District Forest Officer, Tiruvallur Division, Tiruvallur on 10.11.2018.
 3. Part III of Form A uploaded by the Chief Conservator of Forests, Chennai Circle, Chennai on 08.01.2019.
 4. Principal Chief Conservator of Forest letter No. TS3/10533/2018 dated 04.06.2018 & 23.01.2019.

Attention of the District Forest Officer is drawn to the references cited above.

1) In the Part-II proposal of the District Forest Officer U/s. details of vegetation available in the forest area proposed for diversion 142 Nos. various girth classes of trees are available as per the proposal under Part-II furnished by the District Forest Officer. Whereas in the site inspection report of the District Forest Officer, it has not been mentioned whether the trees are available in the transmission line path which are to be felled status of trees i.e. planted or spontaneous growth. Hence the District Forest Officer is requested to submit revised site inspection report with the details of the trees which are available under the transmission line path and its status.

2) The District Forest Officer has not furnished the site suitability report of the identified degraded forest area proposed for Compensatory

Afforestation scheme. This should be uploaded U/s. of Compensatory Afforestation scheme.

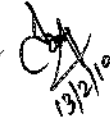

The District Forest Officer is requested to rectify the defects pointed out by the Principal Chief Conservator of Forests and submit the proposal through online immediately.
