

14 MW UHL S.H.E.P. (12.4332 ha)

Following shortcomings may be attended by State Government.

1. At para- B 2.3 of Part-I online the village wise breakup is totalling 12.187 ha while forest area required is 12.4332 ha hence may rectify.
2. KML file for the area proposed for diversion uploaded at C (ii)-a Part-I online for patch No. 1, 3, 4 & 6 are corrupted while Patch No. 2 & 5 are not marked. Similarly remaining four KML files uploaded at C(ii)-b are also corrupted /does not show patches. May upload single KML file of the entire area proposed for diversion showing all the components.
3. Details of employment likely to be generated provided at para-E Part-I does not appear to be correct.
4. In the Cost Benefit analysis provided at para-G of Part-I online both perform VI b and VI C needs to be quantified in monetary terms. Cost over Benefit ratio may also be worked out.
5. Since Environment Clearance is required for the project, correction may be provided at para-H of Part-I online.
6. FRA certificate and annexures area given in photocopy, hence original copy of FRA certificate and original / attested hard copies of annexures may be provided.
7. CA is proposed on Degraded Forest Land which is not proper as per guidelines on the subject. State Govt may propose CA on equivalent area on non-forest land and provide original hard copy of revised CA scheme, suitability certificate, geo-referenced digital map, SoI toposheet map of CA area. All these documents may also be uploaded online at para-L Part-I along with KML file of CA area.
8. Copy of the CAT plan approved by the competent authority of the State Govt may be provided and also uploaded at para-M of Part-I online.
9. Eco Class is shown as V at Table 4 of Part-II online while NPV is calculated for Class VI which may be corrected.
10. Scientific names of trees affected may be given for all species at Table-4 (ii) of Part-II online where possible.
11. TEC & IA are in photocopy. NOC given by IPH, PWD, Fisheries Department are photocopy/scanned copies. NOC from GS is photocopy. Original/attested copies of all the documents may be provided.
12. Muck dumping and rehabilitation plan are unsigned. Signed copies may be provided and uploaded as additional document at Part-I online.
