To

The Principal Secretary
Environment and Forests Department,
Government of Mizoram-796001,
Aizawl.

Sub: Proposal for diversion of 4.98 ha of forest land for improvement and upgradation of Tiabung -Kawrpuchhuah Road.

Ref: Letter No. G. 20015/56/2014-FST dated Aizawl the 15th December, 2016 of Government of Mizoram.

Sir,

Please refer to the subject and letter cited above, seeking prior approval of the central Government in accordance with Section 2 of the FCA, 1980. I am to inform that the proposal referred above has been examined in this office in the light of Forest (Conservation) Act, 1980, and rules/guidelines framed thereunder and proposal is found incomplete. The following information/documents are found deficient:

- (i) To submit the original documents in complete form along with the original or colour scan SoI toposheet map of the proposed forest land and compensatory afforestation area.
- (ii) The soft and hard copy of the Shape/KML file of the proposed area and compensatory afforestation area along with the GPS coordinates (polygon) in Degree Minute Second.
- (iii) The GPS coordinates of the starting and end point of the road.
- (iv) The existing and proposed widening/improvement road should be depicted on the Forest Cover map of the India State of Forest Report, 2013 of Forest Survey of India, Dehradun.
- (v) The original copy of the technically approved compensatory afforestation scheme by the competent authority.
- (vi) The Cross section of the road indicating the width of the existing road, ROW (existing) and the proposed works to be undertaken.
- (vii) The rehabilitation Plan for the displacement of project affected population, if any.
- (viii) The sites of the quarry for stone /boulders/ sand for the road construction in case located in forest land, prior approval under Forest (Conservation) Act, 1980 and Environment Clearance as per Environment Impact Assessment, 2006 is required. In case of quarries located in non- forest land, Environment Clearance as per
