Date: 15-5-2020.

To,

The Deputy Manager,
Goa Tamnar Transmission Project Limited,
105, Rithuparana Regency,
Reddi Colony, Saraswatapur,
Dharwad-Karnataka-580003.

Sir,

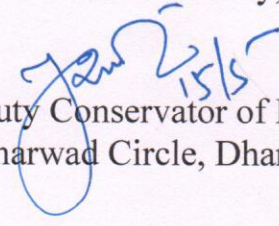

- Sub: Proposal for diversion of Forest Land for 440 KV Transmission line.
- Ref 1) Letter No. C3/Goa Tamnar/Transmission /CR-32/2019-20/176 dated: 14-5-2020 of this office.
- 2) Letter No. A1/Land/FC/TRANS/37754/2018/CR /2019-20 dated: 14-5-2020 of Chief Conservator of Forests, Dharwad.

With reference (2), I am directed to inform you that Chief Conservator of Forests, Dharwad Circle, Dharwad had visited project site on 17-4-2020, it has been observed that the proposed Transmission line passes just near the Forest boundary. The distance are shown in the following table.

Sl.No.	Proposal area	Distance from Forest area	Direction
1	Gungargatti	25 mtr.	North
2	Kotur	1500 mtr	North
3	Guledkoppa	50 mtr.	South

If the proposed Transmission line is realigned slightly these forest patches may be avoided. Hence you are requested to find nearest alternative private land instead of forest land for the project.

Yours Sincerely,

Deputy Conservator of Forests,
Dharwad Circle, Dharwad.
