

being one of the important part of guidelines to maintain record for future reference, it may not be proper to continue the practice of processing and clearing forest land diversion proposals without obtaining hard copy any more. This office is therefore, sending back all online fresh proposals received from State Govt. without hard copy, which are yet to be processed, till hard copies are received.

You are, therefore, requested to ask the concerned officers of your Department to simultaneously make hard copy also available to this office of all proposals seeking diversion of forest land to non-forestry use under Forest (Conservation) Act, 1980 in future as and when these are submitted online.
