Sir,

In inviting a reference to the subject cited above, I am to inform you that the Regional Empowered Committee (REC) in its meeting held on 29.04.2022 had fixed this instant proposal as Additional Agenda for discussion. Since, the proposal was found to be similar with that Agenda No. 1 for diversion of 112.162 Ha, as the proposed diversion is located within the Eco Sensitive Zone of the proposed Jiri Makru Wildlife Sanctuary; the Committee decided that the proposal is to be discussed in next REC meeting after submission of the Mitigation Plan for the impact on wildlife.

In view of the above, the State Govt is requested to submit the Mitigation Plan along with details and breakup plan with cost to be incurred to this office at the earliest so as to enable this office to take further necessary action.
