**Sub. :- Renewal of Forest Land Diversion Proposal in respect of Lanraparash Stone Quarry over an area of 1.21 Ha. in village Domchanch & Langraparash of Koderma District of Jharkhand State.**

**Reff. : Renewal Proposal for Forest Land diversion No. – FP / JH / MIH / 8764 / 2014**

Sir,

In reference to your above mentioned proposal for the renewal of forest land diversion for the project “Langrparas Stone Quarry”, it is to inform you that the Ministry of Environment and Forest, Eastern Regional Office, Bhubaneshwar vide its letter dated 21<sup>st</sup> December, 1999 had given approval for the project “Mining lease of Shri Harshavardhan Pandey” pertaining to the same forest land. Now, you have submitted proposal for the renewal of the project “Langraparash Stone Quarry” in the name of which initiated approved was not accorded.

As the earlier approval for forest land diversion was given by the MOEF for the project “Mining Lease of Shri Harshavardhan Pandey”, the renewal process should also be done for this project only. No renewal of a project can be done for which initial sanction was not accorded.

Therefore, you are requested to submit application for the renewal of the project for which initial approval of the MOEF was granted i.e. the “Mining lease of Shri Harshavardhan Pandey.”

Thanking You.

Yours faithfully

  
(M. K. Singh)

**Divisional Forest Officer,  
Koderma Forest Division,  
Koderma.**
