

Proposal Name- District-uttarkashi - Bayana to Syaba motor road
(2.891 ha)

Following shortcomings still remain in the online reply-

- 1- The forest area proposed for diversion is mentioned as 2.591 ha in online Part II para -2 (legal Status) but all the document uploaded online and provided in hard copy are for diversion of 3.318 ha forest land. State government may submit clarification in this regard and accordingly change the proposal.
- 2- Date of DLC meeting proceedings is 26/12/2015, but in attendance sheet it is mentioned as 16/12/2015. State Government may clarify this discrepancy.
- 3- Muck management plan showing total muck likely to be generated, muck to be utilized in the project and muck likely to be disposed in the dumping sites has not been provided, which may be provided now and also uploaded online as additional document.
- 4- In part-II at para-4, only 45 trees proposed to be felled has been mentioned but trees enumeration list for 107 trees is provided in hard copy in which no tree falls in 0 to 10 dia class. State Government may review and accordingly change density and NPV calculation sheet..
- 5- Original Copy of Site Inspection Report of DFO may be provided.
