

No. 1248
Himachal Pradesh Forest Department

Dated Shimla-2/ 25-5-15

To

Executive Engineer
Shimla Division,
HP.PWD. Division No.-I,
District Shimla, H.P-3.

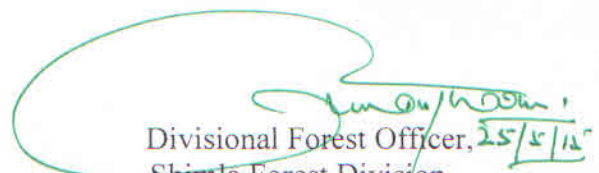

Sub: Diversion of Forestland for the construction of road Dummi to Karhechi 0/0 to 10/165 Tehsil and District Shimla, H.P.

Sir,

Please refer to your office letter No. PW-SD-I/WA-Forest Clearance/15-532-33 dated 10.04.2015 and with respect to the discussion held on 17th May, 2015 on the subject cited above.

2. The site inspection was conducted by the undersigned on 06.05. 2015 and it was observed that around 113 trees and 57 sapling will be felled for providing connectivity only to three – four houses at Beolidhar and this stretch of proposed alignment goes through Reserve Forest.

You are therefore requested to explore the possibility of connecting Beolidhar from other road proposals, if any of the area so that Reserve Forest Poabo can be saved from depletion and inform this office accordingly so that further necessary action be taken in the matter.

Divisional Forest Officer, 25/5/15
Shimla Forest Division,
Shimla-2.
