Subject: Diversion of 2.8573 ha. of forest land for the construction of Tranh-Charoli SHP- 2 MW in favour of Hydro Power Pvt. Ltd. within the jurisdiction of Chopal Forest Division, Distt. Shimla Himachal Pradesh. Online Proposal No. FP/HP/HYD/26220/2017)

Memo,

Please refer to your office Memo No. 1366 dated 12.05.2022 on the subject cited above.

2 The following shortcomings have been noticed which may be attended in all respect:-

1. The cost of project as mentioned as 18.98 crore in Sr.No. 1.(iii) of the Part-1 of the proposal folder whereas in online Part-I 18.98 lakhs has been mentioned.
2. As per the justification of locating the project two alternative alignments stated to have been examined but no detail of the rejected site/alternative alignments have been given. The detail of rejected sites/alternative alignments are required to be given.
3. Against the column E (iii) of online Part-I and hard copy, total 2700 man days have been mentioned whereas 27000 man days has been mentioned in project detail placed at page no 14 of proposal folders.
4. Nothing has been mentioned against the column No. M (i) online part-I.
5. Against the column No 1(v) name of forest have been mentioned whereas legal status of land is required to be mentioned.
6. The technical detail of CA site is not found placed with CA scheme, further the CA Scheme is not on current wage rates. The revised CA scheme on current wage rates be placed in proposal folders and uploaded on online Part-II accordingly.
7. As per the certificate issued by DFO concerned that the proposed project is at the distance of 13 Km of Eco Sensitive Zone Talra Wildlife Sanctuary and 2 Km form the boundary of Churdhar WL Sanctuary where as per the NOC of CWLW placed at page No. 85 the project is situated at radial distance of 8 Kms from the boundary of Churdhar WL Sanctuary. Necessary clarification is required to be made.

8. The detail as mentioned in district profile against column 14 of online part-II as well as detail mentioned in column 12 & 13 is not matching with each other, Progress of CA upto 2022 may be given. .
9. Tittle of Project has not been mentioned in Part-IV & V.
10. The copy of IA is neither found placed in the proposal folder nor found uploaded in online Part-I.
11. Detail of populations to be benefitted has not been found attached in the proposal folder.
12. The details of transmission line have not been given. The detail of transmission i.e. length and width (RoW), the area of forest land proposed for Transmission line & voltage capacity should be placed in the proposal folder.
12. Though, 0.6586 hectare of forest land has been proposed for dumping but no Muck Dumping plan has been found placed in the proposal folder. The cost of engineering work and plantation part should also be included in the Muck Dumpling plan. It must be kept in view that while the cost of plantation is calculated, it should be on current wage rates.
10. Most of the documents as placed in proposal folders are photocopies whereas; all documents are either in original or authenticated copies are required to be placed in both the proposal folders.
11. Complete proposal be uploaded in single pdf file against additional information detail in Part-II.

You are, therefore, requested to make proper scrutiny of the proposal folders and submit the same after placing all requisite documents either in original or authenticated copies in order as per the check list. Further, all relevant documents are required to be uploaded online against the appropriate columns accordingly. However, the proposal folders as received with the memo are returned herewith for doing the needful.

Encls. As above.
