Attention of the Chief Conservator of Forests is invited to the references cited.

In the Principal Chief Conservator of Forests references 2nd cited, On-line application received from Thiru. Sai Prakash Leo Muthu CEO of M/s Sri Sairam Educational Trust, Sai Bhavan, No. 318, Madley Road, T. Nagar, Chennai 17 for diversion of 0.56 ha of forest land in Nallur Reserved Forests of Chengalpattu-

Kancheepuram Division for widening the existing approach road leading to Sri Sairam Engineering College and Other Educational Institutions managed by M/s Sapthagiri Educational Trust was forwarded to the District Forest Officer, Kancheepuram Division and subsequently area has been revised to 0.64 ha by the user agency stating that based on field assessment and instructions of the District Forest Officer, revised area requirement has been furnished.

In the reference 3rd and 4th cited, the District Forest Officer and Chief Conservator of Forests have forwarded the forest clearance proposal with their recommendation.

5) In Principal Chief Conservator of Forests reference 5th cited, short comings noticed on the proposal and additional details required have been communicated to the Chief Conservator of Forests for rectification and resubmission of the proposal.

6) In the reference 6th cited, the Chief Conservator of Forests has re-submitted the proposal through online and furnished reply (vide reference 7th cited) for the essential details called for in the Principal Chief Conservator of Forests reference 5th cited above.

7) It is seen from the Part-II of Form-A, the District Forest Officer has revised the Form and uploaded some additional details and modified some data already uploaded.

In the Part-II of Form-A uploaded by the District Forest Officer, following modifications are necessary.

i) In the Compensatory Afforestation scheme proposal, replacement of casualty has been proposed at 20%, 15%, 10%, 5% & 5% for the maintenance during first five years. This should be in line with the approved model estimates by the Principal Chief Conservator of Forests.

ii) For the protection of CA plantation of 1.28 ha one protection mazdoor has been provided. In the identified degraded forest area of Mannur RF, regular forest staff are employed. Jas per norms, for 40 ha area, one protection mazdoors is allowed. Hence provide justification.
