Madam/Sir,

Kindly refer to the above-mentioned proposal submitted by the State Government through PARIVESH 1.0 portal and forwarded vide letter No. 1(83)Forest/2026 dated 14.05.2026 for diversion of 1.872 ha of Protected Forest land under Section 2(ii) of the Van (Sanrakshan Evam Samvardhan) Adhiniyam, 1980.

The proposal has been examined in this office. During scrutiny, the following information/clarifications are required for proper appraisal of the case:

1. As per the timeline, it is observed that the proposal was originally submitted through the PARIVESH 1.0 portal and has taken approximately eight years to reach the Regional Office. The reasons for such inordinate delay in processing and forwarding of the proposal may kindly be furnished.
2. It may also be clarified as to why the proposal has not been migrated/submitted through the PARIVESH 2.0 portal.
3. Since the proposal has been processed through the PARIVESH 1.0 portal, various documents have been uploaded at different locations, making proper examination of the proposal difficult. Therefore, the State Government/Nodal Officer is requested to furnish a self-contained note containing complete details of the proposal along with final recommendations for proper appraisal of the case.
