It is noticed that the proposal still has incompleteness/ incorrectness in the following Items of PART-II.

PART-II Item No.	Observations/ Action required
Item 13. Details of compensatory afforestation scheme (i) Uploaded KML file of patch (iii) Scanned copy of the geo referenced map of the proposed CA land	<ul style="list-style-type: none">• Provided GPS readings do not overlap with corresponding corners of KML Polygon. There is a large mismatch between the two.• The CA Polygon is not correctly overlaid on Village Map. As a result, only the Sy No. 143 & 147 of Seebi village is shown to be included. However, correct superimposition reveals that the proposed CA land encompasses parts of Sy No. 143, 146 & 147 of Seebi village, if KML file is correct.

	<p>Please ensure that –</p> <ul style="list-style-type: none"> • All corners of KML polygon and corresponding GPS readings match correctly. • CA land polygon is correctly laid on Village Map and the Survey numbers are correctly mentioned.
Item 13 (iv) – Copy of Survey of India Topo sheet (1:50000) indicating boundary of proposed CA land	A blurred Topo Map on 1:10,000 scale without mentioning the Topo Sheet number is uploaded. Please upload a clear Topo Map of proposed CA land on 1:25,000 scale, duly mentioning the Survey of India Topo Sheet number.
