

Diversion of 0.8374 ha forest land in favour of Ramur Hydro Electric Project

Following shortcomings have been noticed in the reply as submitted to this office which may be attended:-

1. Name of components as mentioned in Para C of Part-I online have not been given in digital map. Only, the area and khasra numbers have been given. Name of each component for which land is being diverted may also be mentioned in the digital map of the land proposed for diversion. Further, digital map as uploaded at Para C (iv) of Part-I online has not been authenticated/counter signed by DFO concerned. Correct digital map may be uploaded at Para C (iv) of Part-I online.
2. It has been informed in reply to the observations at point No. 4 that 5950 man-days employment was created for the construction of said components but in this support, user agency has not submitted any authenticated/supporting documents.
