 4. Principal Chief Conservator of Forests, Ref.No.TS3/39365/ 2021, Dated: 17.03.2023.

It is informed that the District Forest Officer Chennai Division has uploaded the following details in the Parivesh Portal regarding above diversion of land in Vandalur RF of Tambaram Range for formation of Tambaram Eastern Bypass road.

On verification of parivesh portal, the District Forest Officer, Chennai Division has uploaded the following details in respect of the above proposal.

1. Site inspection and recommendation of the District Forest Officer, Chennai Division.
2. Part-II of the proposal

On scrutiny of the proposal it is found that,

- a. In the Site inspection and recommendation of the District Forest Officer, Chennai Division, it was reported that 285 nos. of standing trees to be removed in the above proposal. However, in the Part-II of the proposal details were given only for 189 nos. of trees. This is to be rectified.

- b. The District Forest Officer has also not uploaded the covering letter.
- c. Compensatory Afforestation estimate for an amount of Rs.2,76,21,047.60 was uploaded which includes raising nursery, maintenance of nursery, planting and 10-year maintenance cost. No soil and moisture conservation works were proposed. Soil and Moisture Conservation structures and fencing to be included wherever necessary.
- d. The District Forest Officer has also not uploaded the suitability certificate of degraded forest land identified for CA.

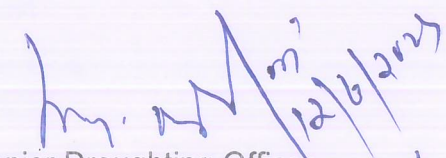

He is requested to rectify the above defects and reupload the proposal in the Parivesh Portal at the earliest and fact reported to this office.
