

**FOREST DEPARTMENT HARYANA
OFFICE OF THE DIVISIONAL FOREST OFFICER,
MORNI-PINJORE DIVISION, PINJORE**

Dated:

No.

To

Conservator of Forest,
North Circle, Haryana,
Panchkula.

Sub:- Issues regarding repair of roads under MGNREGA And approval from Mining Department for soil conservation works.

Ref:- Your telephonic message on dated 17.06.2016.

With the above reference reply is as under:-

1. List of 96 Rastas for repair were provided by District Administration under MGNREGA during 2015-16. Out of which 16 Rastas were repaired during 2015-16.

During 2016-17 estimate for 4 Rastas has been sent to Shivalik Development Board through Deputy Commissioner, Panchkula for the sanction of budget which are proposed to be constructed using paver blocks. List of 140 Rastas for repair has been provided this year by District Administration which is pending for the technical sanction with Higher Authorities. Hence you are requested to kindly get the technical team working in PCCF Office deputed for the feasibility and estimation for repair works for the above Rastas along with technical sanction.

2. Works involving Stone, Bazri, Sand etc. are done with the material collected from forest areas for forest management purposes where forest laws are applicable or purchase from open market.

In both the cases no permission from Mining Department is required as no material is taken outside the forest area, since inception of forest department till today no permission has been sought or initiated.

-sd/-

Divisional Forest Officer,
Morni-Pinjore

Endst. No. 540

Dated:

17-06-2016

A copy is forwarded to PCCF, Haryana, Panchkula for information and necessary action please.

Divisional Forest Officer,
Morni-Pinjore
