With reference to your memo no. cited above on the captioned subject, it is to inform you that after scrutiny of the diversion proposal of the above project, the following discrepancies are noticed.

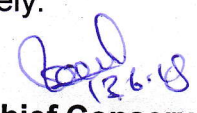

1) As the project is appears to be within 10 Km of the boundary of Lakhary Valley Sanctuary, the user agency may be asked to take approval for the proposal from competent authority as per instructions / guidelines of Government of India.

2) For compensatory Afforestation CA land has not been identified properly as there is no provision available for taking degraded Reserved Forest for CA for State Government Project.
