Ref: 1. Online application uploaded by the User Agency - Thiru.Pallavarajha Meeramohaideen, Owner HAVEN, Plot No.21 5th Avenue VGP Layout, Injambakkam, Chennai -115 Proposal No.FP/TN/Approach/39679/19 Dt.15.04.2019 & 18.10.2019.

2. Principal Chief Conservator of Forests, (Head of Department) Ref.No.TS3/19488/19 Dt.22.11.2019.

You are requested to submit the following details with reference to your application for diversion of forest land in Thirutheri RF under FCA.

The user agency has taken District Collector's certificates with respect to FRA, 2006 and non-availability of the suitable non-forest land for widening of the existing right of way in Thirutheri Reserve Forest. However, user agency has later changed the proposal and applied for completely new alignment through Thirutheri Reserve Forest. As the present proposed forest area for diversion is completely different from the originally proposed area, the user agency is directed to obtain the fresh clearances from district collector for the present proposed area for diversion and upload in the portal.

2. The District Collector's old clearances do not specify the exact hectares of forest area proposed to be diverted to user agency. The user agency is requested to ensure that the Area to be diverted (in hectares) along with Survey No's be present in the District Collector's clearance under Forest Rights Act, 2006.

The above documents may be submitted at the earliest for further action to this regard.
