

Following shortcomings still remained..

1. Date has been not mentioned in FRA at section K in Form A, Part I by user agency.
2. Aerial distance certificate (Please mention Nearest National Park/Wildlife Sanctuary name as well as distance) has not been uploaded at additional information in para -13 in Form A, Part II.
3. CA scheme, CA site suitability certificate, Bar chart, tree list & district profile have not been uploaded as additional information in Para 13 in Form A, Part II.
4. User agency may show alternate alignment detail in uploaded KML file of proposed road at section C (ii-b) in Form A, part I.
5. Working plan prescription has been wrongly filled at section 5 in Form A, Part II.
