To Memo No. 2472 1F (Project) 118 / 2016 Dated 27 .06.2016

The Divisional Forest Officer
Nabarangpur Forest Division

Sub: Proposal for diversion of 51.783 ha of Forest land for Turi-Guntat Medium Irrigation Project in Nabarangpur District (State SI No. 75 / 2015 dt 02.11.2015) Proposal No. FP /OR / IRRIG / 13379 / 2015.

Ref: Your Memo No. 2013 /4F (Misc) dt 02.06.2016

On scrutiny of your compliance report sent vide your memo under reference, it is observed that a revised CATP scheme has been included in the diversion proposal against the objection point No.5 of the observations made by the Addl. PCCF (FD & NO., FC Act) office of the PCCF, Odisha vide his Memo No 7368 dt 20.04.2016.

In the infrastructure Engineering measure at item No. 4 (i.e. Loose boulder wall gully plugging) cost estimate of CATP scheme, the rate has been wrongly calculated as Rs.2250 /- instead of Rs 3318 /-. The detailed calculation is at page No. 373 of the diversion proposal which may please be referred to. As a result the total cost of the scheme is to be revised accordingly taking into the actual rate.

Therefore, you are requested to check the concerned portion of CATP scheme and submit the correct and revised scheme with revised actual cost calculation in 5 (five) copies with seal and signature for taking further action.
