Madam,

With subject and reference cited above, I am directed to inform that the above proposal was discussed in the REC meeting held on 21.05.2021 and the Committee decided to defer the proposal to the next REC on the following ground.

- 1) The State Govt. may identify degraded forest patches of more than 5 ha or contiguous patches to existing forest patches if less than 5 ha so as to enable to manage the C.A. site area properly by State Forest Department and submit revised C.A. Scheme along with KML file & Georeferene map. The revised C.A. Scheme may be uploaded in parivesh web portal.
- 2) The number of trees enumerated is not tallying with tree enumeration list submitted in online proposal. Accordingly, the tree enumeration may be corrected in online proposal.
- 3) The PCCF (WL), Odisha may examine the project from wildlife point of view and suggest preparation of new Site Specific Wildlife Conservation Plan for this project keeping in view of the presence of wildlife and wildlife movement in the area.

It is therefore requested to furnish the above information to this office for further necessary action at this end.
