महोदय,

अपर प्रमुख वन संरक्षक/नोडल अधिकारी, वन संरक्षण, उत्तराखण्ड, देहरादून के स्तर से जारी ई०डी०एस०क्वेरी दिनांक 11-5-2016 के द्वारा प्रस्ताव में निम्न आपत्ति निम्न प्रकार है।

आपत्ति	
1. Short narrative of the proposal for which the forest land is required does not give full description of the proposal. It may be explained as to what constitutes 'upgradation'	
2. Total period for which the forest land is proposed to be diverted is given as nil . This may be reviewed	
3. The details of person making application and that of the one authorized to file application do not match.	
4. The proposal mentions that the proposal is not likely to generate any employment. This seems unlikely and may be reviewed.	
5. The note containing justification for locating the Project in forest land does not specify the justification of this particular proposal	
6. The area proposed for diversion, when seen on Google Earth, seems to have a existing road. It may be explained if diversion of this land under Forest (Conservation) Act was sought before construction of the existing road.	
7. The FRA certificate of DM states the date of meeting of DLC as 09-12-2014 while the Gram Sabha date has been mentioned as 19-01-2015. The meeting of DLC could not have preceeded the Gram Sabha meeting. This may be reviewed.	
8. GPS location of all turns on the proposed road may also be given on the software generated GIS maps in Part-I. Soft copy of shapefiles may also be provided.
