महोदय,

उपरोक्त विषयान्तर्गत सन्दर्भित पत्र के संबंध में अधोहस्ताक्षरी को यह सुचित करने का निर्देश

हुआ है कि प्रस्ताव में निम्न त्रूटियां पायी गयी है:

- 1. The proposal involve 0.8397 ha non-forest land while 0.2387 ha forest land is proposed to divert for muck dumping. No efforts have been made to avoid forest land for muck dumping. Hence, the state govt. may seek clarification in this regard from the concerned DFO and also submit the enumeration list of trees for the area proposed for dumping.
- 2. State Govt. may submit the comments of CWLW as the area proposed for diversion is within 10 Km of the nearest Protected Area.
- 3. State Govt. may submit the certificate from the concerned DFO that no plantation work has been carried out under any scheme or program in the proposed CA area earlier.
- 4. State Govt. may submit the compartment/ Khasra details for the area proposed for CA.
- 5. Out of total 9.30 ha area proposed for CA, 4.0 ha is showing MDF in DSS analysis. Therefore, the state govt. may replace this area with some other suitable area having crown density less than 0.4.

उपरोक्त त्रृटियों की पूर्णता के उपरांत ही प्रस्ताव पर अग्रिम कार्यवाही की जा सकेगी।

भवदीया,

उप महानिरीक्षक, वन (के0) एकीकृत क्षेत्रीय कार्यालय, देहरादून
