To,

Ward No. 10, N.R. Badavane ,

Sir,

Subject: Proposal number FP/KA/WATER/44628/2020 for diversion of forest land near BhakthrahalliArasikere, Chintamani Taluk, Chikkaballapur district for construction of housing chamber, laying of pipeline & 11 kv express feeder line for providing water by Commissioner CMC Chintamani(EDS-2)

Ref: 1. Your office Letter No.: ನಸಚಿ/ತಾಶಾ/ಸಿ.ಆರ್-132/2019-20, ದಿ: 02.06.2020.
2. This office Letter No: A3/LND/CR-16/2020-21, Dated: 20.06.2020

You have applied for diversion of 0.43574ha of forest land vide proposal number FP/KA/WATER/44628/2020. As per the documents submitted a forest land of area 0.43574 ha has to be diverted in Bhaktharahalli Village Sy No.75.

It is brought to your notice that the map uploaded in "C(iv) Scanned copy of the Geo-referenced map of the forest land proposed to be diverted prepared by using GPS or Total Station" is blurred, especially when zoomed in. Further the GPS points marked on the map are not legible.

The DPR submitted under Additional Information Details S. No. 11 mentions about desilting and bund improvement works which will be taken up in future under Govt. grants. A part of the Bhakthrahallilake is notified as forest and any desilting or bund improvement works in that part has to have FC clearance. The present diversion proposal submitted by you doesn't mention these works. You would be required to submit appropriate FC proposal as and when the said work is taken up.

In view of the above, you are requested to do the necessary modifications, upload a map with greater zoom for a detailed view with clear GPS points and also submit the hard copies – minimum 7 ink-signed sets.

Yours faithfully,

Deputy Conservator of Forests,
Chikkaballapur Division, Chikkaballapur.
