Sir,

I am directed to refer to the Government of Himachal Pradesh's letter 48-3920/2019(FCA) dated 18.05.2020 on the above mentioned subject seeking prior approval of the Central Government, in accordance with Section -2 of the Forest (Conservation) Act, 1980 and to say that the said proposal has been examined by the Forest Advisory Committee (FAC).

2. After careful examination of the proposal of the State Government and on the basis of the recommendations of the Forest Advisory Committee, *the Ministry request to submit the following information/clarification:*

- i. The State Government has examined only one option (alternative) to the present proposal. During the discussion, it was also learnt that the option was discarded on the basis of techno-economic reasons and biodiversity/Vegetation / forest issues were not considered. It was decided that the State government may examine at least three alternatives, and the one which causes minimum biodiversity loss and requires minimum forest area may be selected .
- ii. State government shall also submit a compliance report of conditions imposed at the time of past approval of the project;

In view of the above, the State Government of Himachal Pradesh is requested to submit the information/Justification, as indicated above, to this Ministry for further consideration of the proposal.

Yours faithfully,

Sd/-
