

PROPOSAL NO. FP/UK/ROAD/10859/2015

1. Short narrative of the project provided in online Part I, does not provide adequate information about proposal.
2. Total period for which the land proposed to be diverted is not mentioned in online Part I.
3. The authority letter is not uploaded in online though it is provided in hard copy, the State Govt may upload the same at designated place in Part I.
4. The State Govt has provided information in the proposal that
5. SoI toposheet map at column C (iii) uploaded showing location of CA site instead of the area proposed for diversion and the same map is also uploaded in column C (iv). The State Govt may provide/upload the correct SoI toposheet map showing alignment of the proposed road and scanned copy of GIS software generated geo referenced digital map to the exact scale of the proposed road showing geo coordinates at 200 to 300 m interval along the alignment including all turning points and ensure the uploading of correct revised map in online Part I.
6. The georeferenced digital map of area proposed for CA is not uploaded in online L (v). May provide/upload GIS software generated geo referenced digital map of the area proposed for CA providing geo coordinates at all corner points in shape (polygon/closed area) file.
7. The FRA certificate issued on dated 28-02-2015 though signed on dated 13-03-2015. The State Govt may correct the date of FRA certificate because procedurally the date of FRA certificate should not prior the date of district level committee (DLC) meeting which is 13-03-2015 in this case.
8. If this project involve boundary of 8 villages as mentioned in the list of villages to be benefited and village wise break up provided with the proposal then proceedings of village level committee (VLC) meeting pertaining to other villages may also be furnished with the FRA certificate.
9. In online Part I column L.(iv) (f), (g) and (h), the same document is uploaded. The State Govt may upload the correct document in each above mentioned place in online Part I.
10. The CA scheme uploaded in online Part II and provided with hard copy of the proposal is for plantation of 30,000 trees but the CA area is not mentioned in the scheme. The State Govt may provide/upload revised CA scheme for area proposed for CA i.e. 9.81 ha.
11. The State Govt may provide authenticated copy of Part I, II, III, IV and V of the same uploaded in online web portal to this office as the copy attached with the proposal is not signed by any authority.
12. In the proposal the State Govt has mentioned that out of total sanctioned length of 40 km, 36.225 km road is proposed to be constructed out of which this proposal is for the length of 21 km and remaining 15.225 km has already been approved and constructed. The State Govt may provide details of previously approved roads of 9.450 km and 5.775 km in the column B. (B-I) online Part I.
13. As per Decision Support System (DSS) Analysis the area of CA shown in KML file of CA in Part I shows the extent of area as 8.49 ha instead of 9.81 ha area proposed for CA. May upload KML file again showing the correct extent of area proposed for CA. In addition, the area proposed for CA has also been indicated 1.0 ha in moderately dense forest in DSS analysis which may also be reviewed for its appropriateness for CA.
