No.RFD/FCA/ 23 52

Dated:- 21 -07-2022

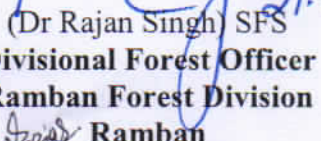

**Subject:-Construction of Road from Bawa to Mangit (Online Proposal No. FP/JK/ROAD/157064/2022)**

Sir,

On the subject cited above, it is to inform that after scrutinizing the proposal uploaded online through PARIVESH Portal, the following deficiencies/deficit documents were observed: -

1. Under **Part-I C (iv)** i.e., in Geo-referenced map, the length of the road has been shown as 1.5 km whereas **under Part-I D (i)** i.e., in justification, it has been shown as (0-500) m which needs correction.
2. In **Part-I under Additional Information Details at S.No. 1** i.e., in FRA Communication letter, the length of road has been shown from RD 0-1000 and under **Part-I C (iv)** i.e., in Geo-referenced map, the length of the road has been shown as 1.5 km needs correction.
3. The level of scanning of all documents is very poor. The pdf are being created using mobile phones. Since the documents are to be scrutinized at level of State Govt. and Central Ministry, all the documents should be upload having high resolution using scanner and not mobile phones.

Yours faithfully,

  
(Dr Rajan Singh) SFS
